School Annual Education Report (AER) Cover Letter

January 11, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Bridge Academy West. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the main office for assistance.

The AER is available for you to review electronically by visiting the following website , <https://bridgewest.geeacademies.net/annual-educational-report/> or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not identified as targeted and has not been given one of these labels.

Bridge Academy West is committed to academic excellence and appreciation of cultures. We have a rigorous curriculum to ensure academic success, along with art, coding and physical education.

State law requires that we also report additional information.

1.) PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Students are assigned to Bridge Academy West in consideration of the following criteria:

- A. Current enrollment and capacity: Students are enrolled in middle school according to space available and maintaining equitable class sizes.
- B. Siblings: We give priority to students who currently have siblings enrolled in schools.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN Bridge Academy staff and parents work together to develop a School Improvement Plan that is meaningful and supports the school and district goals. Teachers, support staff and parents were involved in data review and goal development through a systematic process throughout the school year.
