Re: Title I Information and Parent Notification of Teacher Qualifications

Frontier International Academy is designated as a Title I School. Title I is a federal program which focuses additional funding to our school. This funding is based on socio-economic status. Title I designation allows Frontier International Academy funding to provide several effective programs including:

- Four paraprofessionals to provide additional instructional Support to at risk students and English Language Learners (ELL)

Hire three mentors for teachers to improve their instruction delivery in language arts, math, and science.

- Family Involvement

The teacher qualifications for Frontier International Academy teachers are available in the site manual of the school in the main office. As a parent of a student at Frontier International Academy, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law requires the school district to provide you this information in a timely manner if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- Whether the teacher meets the state qualifications and licensing criteria for the grades and subjects he or she teaches.
- Whether the teacher is teaching under emergency or provisional status because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees, and the field of discipline of the certification or degree.
- Whether paraprofessionals provide services to your child and, if so, their qualifications.

If you would like to receive any of this information, please contact Principal Dr. Adnan Aabed at 313-462 -6300.
